# Group Health Insurance Program for Members in the Local Traditional SMP Plan

- Employees
- Non Medicare Retirees and
- COBRA Continuants

# **Schedule of Benefits**

Effective January 1, 2025

The Schedule of Benefits explains what medical services the Group Health Insurance Program (GHIP) covers and what you pay for covered services. See your <u>Uniform Benefits Certificate of</u> <u>Coverage (ET-2180)</u> for complete coverage details. The Schedule of Benefits is divided into the following sections:

Annual Limits

- Additional Covered Services
- Covered Services
- <u>Dental</u>, <u>Pharmacy</u>, <u>and Supplemental Plans</u>
  Wellness and Chronic Condition Management

**Annual Limits** 

In-Network and Out-of-Network Out-of-Pocket limits accumulate separately.

Annual Medical Deductible

The amount you could owe during a coverage period (usually one year) for covered health care services before your **plan** begins to pay. An overall deductible applies to all Out-of-Network covered items and services.

	In-Network		Out-of-Network	
Individual:	\$0		\$5,000	
Family:	\$0		\$10,000	
			5	tible is embedded – no one family ribute more than the individual nily deductible.
			Does not apply to:	
			× Out-of-Po	cket Limit (OOPL)
			<ul> <li>Prescription</li> </ul>	on drugs
Annual Me	dical Coinsurance

### Occupational, Physical, and Speech Therapy

Physical therapy (PT) involves treatments for the prevention and management of injuries or disabilities. PT helps to relieve pain, promote health, and restore function/movement. This includes Occupational therapy (OT), which helps with daily living tasks caused from illnesses and injuries to the brain and body; and Speech/Language therapy (ST), which helps to relearn how to communicate and swallow to prevent aspiration.				
	In-Network	Out-of-Network		
You pay:	\$0	Out-of-Network Deductible, then Medical Coinsurance		
<ul> <li>Up to 50 visits per participant for all therapies combined per calendar year.</li> <li>Up to a maximum of 50 additional visits per therapy, per participant, per calendar year may be available with prior authorization from your health plan.</li> </ul>				
Applies to:				
		spital outpatient department visits ependent therapist office visits		
Outpatient	Cardiac Rehabilitation			
Rehabilitation following an inpatient hospital stay for a heart attack, bypass surgery, angina, heart valve surgery, angioplasty, or heart transplant.				
	In-Network	Out-of-Network		
You pay:	\$0	Out-of-Network Deductible, then Medical Coinsurance		
Outpatient Hospital & Ambulatory Surgery Center Services				
Services necessary for your admission to an outpatient hospital or Ambulatory Surgery Center, as well as diagnosis and treatment.				
	In-Network	Out-of-Network		
You pay:	\$0	Out-of-Network Deductible, then Medical Coinsurance		
	<ul> <li>You may be prescribed DME and Medical Supplies to be taken home during an outpatient hospital facility visit, which could be billed separately and subject to coinsurance.</li> </ul>			

Preventive	Preventive Care Services				
Routine health care, including screening, check-ups, and patient counseling to prevent or discover illness, disease, or other health problems – as required by federal law. Federal law specifies at what age and how frequently a service can be paid with no cost to you. See <u>healthcare.gov/preventive-care-benefits</u> for more details.					
	In-Network		Out-of-Network		
You pay:	\$0		Out-of-Network Deductible, then Medical Coinsurance		
Your	<ul> <li>Services for specific conditions found during a preventive exam may be subject to cost sharing.</li> <li>Your preventive check-up can be used to fulfill activities for the annual Well Wisconsin incentive program. See <u>https://etf.wi.gov/well-wisconsin-members</u> for more details.</li> </ul>				
The plan cov	vers the following federally required preventive	servi	ces including but not limited to:		
<ul> <li>✓ Breat</li> <li>✓ Chold</li> <li>✓ Depr</li> <li>✓ Diabo</li> <li>✓ HIV s</li> <li>✓ Immu</li> <li>B, pr</li> <li>✓ Obes</li> </ul>	<ul> <li>✓ Alcohol misuse counseling</li> <li>✓ Breast cancer screening (mammogram)</li> <li>✓ Cholesterol screening</li> <li>✓ Depression screening</li> <li>✓ Diabetes screening</li> <li>✓ HIV screening</li> <li>✓ HIV screening</li> <li>✓ Mitor and the state of the stat</li></ul>				
Primary Ca					
access to ne clinic (PCC)	Primary care includes preventive health care, treatment of illness and injuries, and the coordination of access to needed specialty providers or other services. Your primary care provider (PCP) or primary care clinic (PCC) will provide or arrange for most of your health care needs, including well check-ups, office visits, referrals, out-patient surgeries, hospitalizations, and health-related services.				
	In-Network		Out-of-Network		
You pay:	\$0		Out-of-Network Deductible, then Medical Coinsurance		
<ul> <li>You must select a PCP or PCC at the time or enrollment or when you change health plans; your PCP may be a physician, physician assistant, nurse practitioner, or any other provider that manages your primary care services.</li> <li>If you do not choose a PCP or PCC, or your selection is no longer available, your health plan will assign a PCP or PCC for you.</li> <li>Contact your health plan directly to change your current PCP or PCC selection.</li> </ul>					
Skilled Nursing Facility					
Admission to a licensed Skilled Nursing Facility for continued treatment after a hospital stay.					
	In-Network		Out-of-Network		
You pay:	\$0		Out-of-Network Deductible, then Medical Coinsurance		
<ul> <li>✓ Up to 120 calendar days per benefit period</li> </ul>					
Telemedic	Telemedicine and Remote Care				
Certain telehealth and remote care services are covered. These remote services should maintain the quality, safety, and effectiveness of an in-person visit. You should work with your provider to determine the best technology solution(s) to meet your care needs.					

E-Visit		
messaging v	n and treatment by a provider using a patient portal, p vhich can include text, images, or videos. Services mu ffice visit and be patient-initiated. An E-Visit is also cal	ist address an issue that would typically

# **Dental, Pharmacy, and Supplemental Plans**

#### **Dental Benefit**

The Uniform and Preventive Dental Benefit provides coverage for basic procedures such as cleanings, fluoride treatments, fillings, and orthodontia. This benefit is offered through Delta Dental. Learn more at <u>deltadentalwi.com/state-of-wi</u>.

#### **Uniform Dental Benefit**

If your employer offers this benefit as part of your health insurance, you may enroll in the Uniform Dental Benefit (UDB). Premiums are included in your health insurance rates. If you have individual health insurance coverage, you will have individual UDB coverage. If you have family, you will have family.

#### **Preventive Dental Benefit**

If your employer offers this Delta Dental benefit you are solely responsible for premiums in this plan; your employer will not provide any contribution. You may select any level of coverage that is individual or family, regardless of your health insurance coverage (individual or family) or if you did not enroll in health insurance coverage.

If your employer offers these Delta Dental benefits, you can enhance your UDB or Preventive plan with supplemental dental. You can enroll in a supplemental dental benefit without enrolling in UDB or Preventive. You are solely responsible for premiums in this plan. Your employer will not provide any contribution. You may select any level of coverage, that is individual, individual plus spouse, individual plus child(ren) or family, regardless of your health insurance coverage (individual or family) or if you did not enroll in health insurance coverage. You may only enroll in either the Select Plan or Select Plus Plan, not both.

#### Select Plan

Covers dental services considered Major and Restorative Dental Services. Examples of this are crowns, bridges, dentures, and implants. This plan does not cover orthodontia services. Your employer must opt-in with Delta Dental in order for you to enroll in this benefit.

#### Select Plus Plan

In addition to coverage of dental services considered Major and Restorative Dental Services like crowns, bridges, dentures and implants, this plan also covers orthodontia services. Your employer must opt-in with Delta Dental in order for you to enroll in this benefit.

#### **Uniform Pharmacy Benefit**

Your coverage for most medications is provided by Navitus Health Solutions, a Pharmacy Benefit Manager (PBM). You must obtain pharmacy benefits at a participating Navitus pharmacy, except when not reasonably possible because of Emergency or Urgent Care. For full detail on services covered by the PBM, please see the Uniform Pharmacy Benefits Certificate of Coverage.

#### Supplemental Vision Benefit

The supplemental DeltaVision Plan provides coverage for eye exams, prescription glasses, contacts, and more. This benefit is offered through Delta Dental of Wisconsin, in partnership with EyeMed Vision Care. Learn more at visiting <u>deltadentalwi.com/state-of-wi-vision</u>.

#### Accident Plan

Provides employees and their dependents with a cash payment to help cover out-of-pocket expenses regardless of any other insurance coverage. Your employer has to opt-in to offer this to you. This plan does not disqualify you for medical coverage. Learn more at <u>Accident Plan</u>.

# Wellness and Chronic Condition Management

#### **Uniform Wellness Benefits**

The Uniform Wellness Benefit is available to Subscribers and Spouses. Services, provided by WebMD, include a health assessment, health screenings, flu vaccines, unlimited health coaching (weight management, nutrition, exercise, tobacco cessation, stress resiliency, sleep hygiene, alcohol use), digital well-being education, challenges, and learning modules. Participants can earn an annual incentive. For more details on services included in the program, please see the <u>Well Wisconsin for Members webpage</u>.

#### **Uniform Chronic Condition Management Benefits**

The Uniform Chronic Condition Management Benefit is available to Subscribers and Spouses. Services, provided by WebMD, include unlimited coaching for asthma, diabetes, chronic obstructive pulmonary disease, congestive heart failure, and coronary artery disease. A diabetes prevention program, and resources for chronic pain management are also available. For more details on services included in the program, please see the <u>Well Wisconsin for Members webpage</u>.
