More stringent background checks are permitted. 3. Remove 20.0.
4. Insert: **20.0 ADDITIONAL INSURANCE RESPONSIBILITY:** The Contractor shall exercise due diligence in providing the Services under the Contract. In order to protect the Department's governing boards and any Department employee against liability, cost, or expenses (including reasonable attorney fees), which may be incurred or sustained as a result of Contractor's errors or other failure to comply with the terms of the Contract, the Contractor shall maintain errors and omissions insurance including coverage for network and privacy risks, breach of privacy and wrongful disclosure of information in an amount acceptable to the Department with a minimum of **\$1,000,000** per claim and **\$5,000,000** aggregate in force during the Contract period and for a period of three (3) years thereafter for Services completed. Contractor shall furnish the Department with a certificate of insurance for such amount. Coverage amounts may be met through a combination of primary and umbrella insurance coverages. Further, this certificate shall designate the State of Wisconsin Department of Employee Trust Funds and its affiliated boards as additional insured parties. The Department reserves the right to require higher or lower limits where warranted.
5. Remove 27.0.
6. Insert: **27.0 IDENTIFICATION OF KEY PERSONNEL AND PERSONNEL CHANGES:** The Department will designate a contract administrator, who shall have oversight for performance of the Department's obligations under the Contract. The Department shall not change the person designated without prior written notification to the Contractor.

The State of Wisconsin reserves the right to approve all individuals assigned to the project described in the Contract. The Contractor agrees to use its best efforts to minimize personnel changes during the Contract term.

At the time of Contract negotiations, the Contractor shall furnish the Department with names of all key personnel assigned to perform work under the Contract and furnish the Department with criminal background checks to the extent permitted by law.

The Contractor will designate a contract administrator who shall have executive and administrative oversight for performance of the Contractor's obligations under the Contract. The Contractor shall not change this designation without prior written notice to the Department.

The Contractor may not divert key personnel for any period of time except in accordance with the procedure identified in this Section. The Contractor shall provide a notice of proposed diversion or replacement to the Department Program Manager and Contract Manager at least sixty (60) calendar days in advance, together with the name and qualifications of the person(s) who will take the place of the diverted or replaced staff. At least thirty (30) calendar days before the proposed diversion or replacement, the Department shall notify the Contractor whether the proposed diversion or replacement is approved or rejected, and if rejected shall provide reasons for the rejection. Such approval by the Department shall not be unreasonably withheld or delayed.

Replacement staff shall be on-site within two (2) weeks of the departure date of the person being replaced. The Contractor shall provide the Department with reasonable access to any staff diverted by the Contractor.

Replacement of key personnel shall be with persons of equal ability and qualifications. The Department has the right to conduct separate interviews of proposed replacements for key personnel. The Department shall have the right to approve, in writing, the replacement of key personnel. Such approval shall not be unreasonably withheld. Failure of the Contractor to promptly replace key personnel within thirty (30) calendar days after departure shall entitle the Department to terminate the Contract. The Contractor's notice and justification of a change in key personnel must include identification of proposed substitute key personnel and must provide sufficient detail to permit the Department to evaluate the impact of the change on the project and/or maintenance.

Any of the Contractor's staff that the Department deems unacceptable shall be promptly and without delay removed from the project by the Contractor and replaced by the Contractor within thirty (30) calendar days by another employee with acceptable experience and skills subject to the prior approval of the Department.
